The Best Travel Gear Under \$100

Flights and hotels are expensive. Your travel kit doesn't have to be.

There's a lot of great, expensive travel gear out there—much of it reviewed by us. So when we find a piece of high-performance, high-style equipment at a reasonable price, we can't help but share. Here are nine of our favorites that are more than worth their sub-\$100 price tag.

Vuori Ponto Performance Pants (\$84)
